WHAT'S BEING TAught?

Modern Hebrew instruction is the most common, followed by instruction focused on how teachers teach.

HOW IS HEBREW TAught?

Students generally express positive feelings about their learning, but there's a wide range of teaching methods used.

CHALLENGES OF TEACHING HEBREW LANGUAGE

Most teachers teach Hebrew through a combination of methods, and there's no consensus.

STUDENT SATISFACTION

Most students feel connected to Hebrew, with the highest satisfaction among high school students.

TRENDS

The trend is towards more immersion and less focusing on bar/bat mitzvahs.

RECOMMENDATIONS

Promote teacher education and professional development, and support creative and individualized approaches.
